Sharing moment

Come and share gourmet moments and discover a whole region expressed through the richness of its gastronomy. Our hillsides produce a delicious red and white wine, made from pinot noir and chardonnay grapes and known as Côtes du Couchois. Our green fields are home to Charolais cows, free-range pigs, goats and lamb... From these animals and the quality of their rearing, we obtain tasty meats, wool and exceptional cheeses. And from our forests come nuts: walnuts, hazelnuts and chestnuts. Transformed by our craftsmen into real delicacies: Morvan hazelnut, chestnut cream, cazette du Morvan. Don't hesitate to come and share these flavors and many more in Grand Autunois Morvan.
